How To: Manage Multiple Greetings

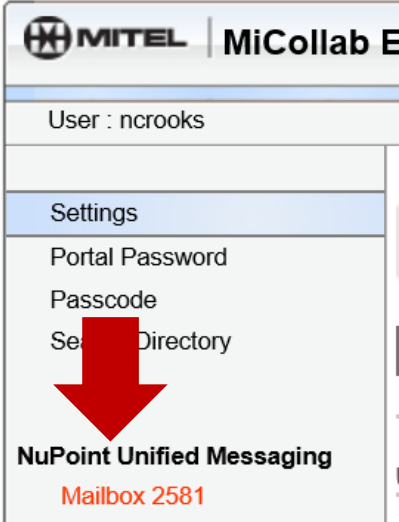

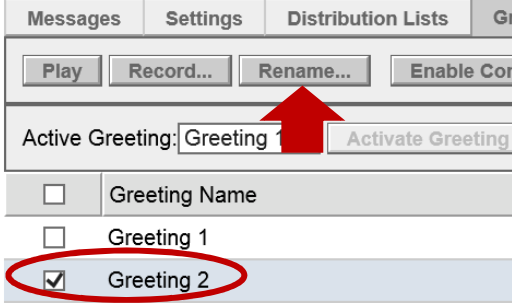

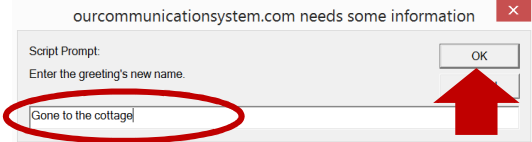

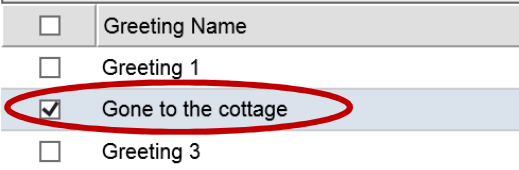

You can manage multiple greetings through the MiCollab web portal. Steps are below.

Recording Multiple Greetings	
In a web browser go to: https://vmas.ourcommunicationsystem.com/portal/	

<p>Enter your MiCollab username and password. Then hit the ‘Login’ button.</p>	
<p>In the left hand navigation click ‘Mailbox _____’. Note you can also review and manage your received voice messages here, from the convenience of any web browser on any computer.</p>	
<p>Next click the ‘Settings’ tab.</p>	
<p>Look for the ‘Call me Settings’ field. Enter your four digit extension if not there. If you need to record your greeting from a phone not twinned to the system, then change this to ‘8’ + the number. (e.g. 84161112222)</p>	
<p>Click ‘Save’</p>	
<p>Next go to the ‘Greetings’ tab</p>	

<p>'Greeting 1' is your default greeting. You can record other greetings by clicking the checkbox for the greeting and pressing record.</p>	 <p>The screenshot shows the 'Messages' tab in the NuPoint Unified Messaging interface. The 'Record...' button is highlighted with a red arrow. Below it, the 'Active Greeting' is set to 'Greeting 1'. A list of greetings is shown with checkboxes: 'Greeting 1' is unchecked, and 'Greeting 2' is checked and highlighted with a red circle.</p>
<p>The system will now call you. A pop up window will display on your screen. Pick up the call. When the pop up window says 'Connected...' hit 'Record' and speak in a clear voice to record your greeting.</p>	 <p>The screenshot shows the 'Record Greeting' pop-up window. It displays 'Connected', 'Greeting Name: Greeting 2', and 'Length: 0:00'. The 'Record' button is highlighted with a red arrow. There are also 'Play', 'Stop', 'Save', and 'Cancel' buttons.</p>
<p>You can hit 'Play' to review your greeting. You can also hit 'Record' to re-record. When satisfied with your greeting press 'Save'. You can now close the pop up window and your new greeting is saved.</p>	 <p>The screenshot shows the 'Record Greeting' pop-up window. It displays 'Connected', 'Greeting Name: Greeting 2', and 'Length: 0:07'. The 'Save' button is highlighted with a red arrow. There are also 'Play', 'Record', 'Stop', and 'Cancel' buttons.</p>

Renaming a Greeting	
<p>In a web browser go to: https://vmas.ourcommunicationsystem.com/portal/</p>	
<p>Enter your MiCollab username and password. Then hit the 'Login' button.</p>	 <p>The screenshot shows the 'MiCollab End User Portal' login page. It has a header with the MITEL logo and 'MiCollab End User Portal'. Below the header, there is a link for 'MiCollab Audio, Web and Video Conferencing'. The login form includes fields for 'Login ID' (with 'ncrooks' entered) and 'Password' (with masked characters), and a 'Remember Me' checkbox.</p>

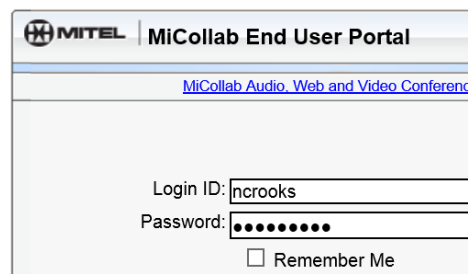

<p>In the left hand navigation click 'Mailbox _____'.</p>	
<p>Next go to the 'Greetings' tab</p>	
<p>Click the checkbox for the greeting. Then click 'Rename'.</p>	
<p>Enter a name for the greeting in the pop up window. Then click 'OK'.</p>	
<p>Your greeting is now renamed so it is easier for you to remember it.</p>	

Activating a Greeting

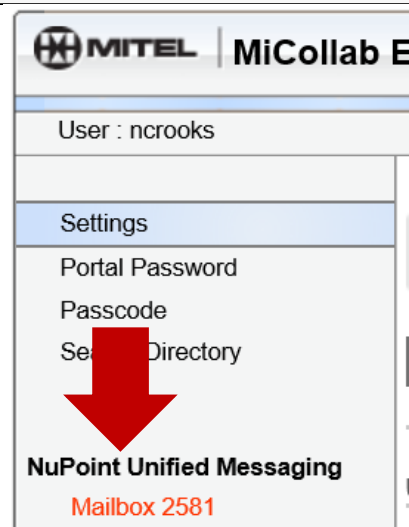

In a web browser go to:

<https://vmas.ourcommunicationsystem.com/portal/>

Enter your MiCollab username and password. Then hit the **'Login'** button.

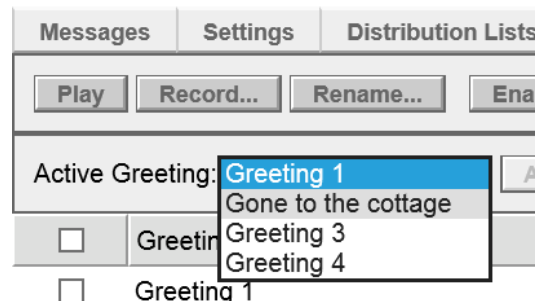

In the left hand navigation click **'Mailbox _____'**.

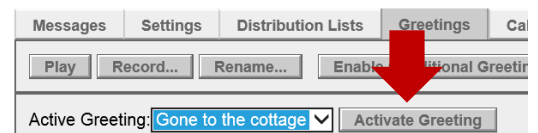

Next go to the **'Greetings'** tab

Using the pulldown menu **select the greeting** you want to activate.

Press the **'Activate'** button.

Your greeting is now activated. **Reminder:** changing your status in the MiCollab desktop application does not change your Voice Mail greeting.
